Strand or category	<i>Small Scale Cooperation Projects</i>

Cultural operator – who are you?

Name of the organisation	AI3
Country	Romania
Organisation website	https://ai3.ro/ https://www.facebook.com/AsociatiaAI3salut@ai3.ro
Contact person	President of AI3 : Mr. Adrian Roşian - adrian@ai3.ro
Organisation type	NGO
Scale of the organization	Small, we began our activity as a legal entity in April 2024
PIC number	49718128
Aims and activities of the organisation	<p>diffusion is a digital festival organized by AI3, the first IT cluster in Alba county. AI3's mission is to popularize the IT industry in the county and create opportunities for synergistic and sustainable development of this economic segment. In harmony with this mission is the organization of an annual reference IT event in the county to bring together the creative energies in this field to create a unique experience for visitors and locals.</p> <p>diffusion wants to humanize a sector perceived as abstract and to bring it to the attention of both the general public and the business sector in the county and in the country. Teaser for the first edition here: https://youtu.be/5U5Ez5Gy2IM Event website: https://diffusion.ro/</p> <p>CoderDojo is another project of ours where we organize weekly meetings and volunteer our time. We teach children aged 6 to 18 Scratch, Arduino, and any other programming languages they are interested in.</p>
Role of the organisation in	Partner

the project	
Previous EU grants received	None

Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Art, Multicultural, Tech
Description or summary of the proposed project	Competitions/ Exchange/ Camps with CoderDojo kids. Workshop/ Events / Conferences related to combining art and IT field. For example algorave session, which is music generated from coding. Exhibitions with AI, video mapping, an artistic moment illustrated by drones. Devices that can be worn on the hands or feet and generate music through body movements, thus creating an artistic moment with generative dance.
